

Cedar County Storm Siren Test Schedule

Below is a list of the incorporated communities within Cedar County, IA that have adopted the Cedar County Outdoor Warning System Activation Protocol and have scheduled the testing of their outdoor warning devices (storm sirens). Testing of the outdoor warning devices will be between the months of March and November, depending on weather.

In the event of severe weather on a scheduled test day, the communities may opt to cancel the testing of the outdoor warning devices. For additional information please contact your local city hall.
