## LTRC??

### What can it do for you!

LTRC is the Long Term Recovery Committee, it needs **you** to work.

**The objective** of a LTRC is to provide additional assistance for the recovery process for victims of disasters by bringing together various levels of assistance and resources to persons and families in need.

**Membership** should include both local and outside the community members that can contribute information, resources, knowledge, or financial support to the recovery process:

- Faith Based Organizations
- Civic clubs
- Interested Individuals
- Local Non Profit Organizations
- National Organizations that provide Specific Disaster services.
- Local Government Agencies providing support or guidance.

A Long Term Recovery Committee should include a diverse and broad county-wide representation in order that the demographics of the service area may be represented.

At the Law Enforcement building located at 711 E South St Tipton Ia. If you have any questions please call 563-886-3355.
